

**Patients:** Print this form and give it to your health care provider, so they can help you get started on **AllergyEasy**® drops.

# Your patient is requesting sublingual immunotherapy using **AllergyEasy**® drops. Here's how to get started:

1

## Call to learn about our simple prescribing process

1-877-276-3393 (2SNEEZE), ext. 1 • [info@AllergyEasy.com](mailto:info@AllergyEasy.com)

2

## Allergy test your patients

Use our easy-to-administer Environmental Skin Test (60-allergens) and/or our Food Skin Test (40-allergens).

3

## Prescribe **AllergyEasy**® drops

Drops will be prepared and shipped from our licensed compounding pharmacy.

## Why **AllergyEasy**® Drops?

*Are you frustrated with prescribing antihistamines with minimal patient improvement? Losing continuity of care by referring patients out for allergy shots?*

*Be among the first providers in your area to offer the **AllergyEasy**® advantage:*

- **No shots! Take under-the-tongue drops at home**
- **For environmental and food allergies**
- **More thorough allergy protection. (Our Comprehensive Inhalant Mix contains far more allergens than the industry standard.)**
- **Safer and less age-restrictive than shots.<sup>1</sup> (Sublingual immunotherapy has been shown to be safe for children under five.)**
